

TEAM LETTER

Does the past haunt you?

A driver (I wouldn't like to say whether they were male or female!) had driven the car they were driving into a ditch and then just sat there. When the police arrived they asked what had happened?

"I was looking in the rear view mirror, instead of looking at the road ahead and now I'm in the ditch" came some sort of explanation!

What a thought!

There is no way we can go forward if our eyes are focused on what is behind – either in driving – or in life. A lot of people "ditch" themselves because they can't take their eyes off the past, focus on the future and move ahead.

Give up all hope of a better yesterday, for we cannot change the past and it can be detrimental, even dangerous to obsess over it.

Unfortunately this behaviour is also true of many churches, where people try to hang on to some glorious past that never really existed and which holds them back from really being the church in the present with a vision for the future.

We can change the present and shape the future! We can move forward with hope in God. In the Bible there are many passages which tell us that God is merciful and longing to forgive us and restore us, if only we will turn to him and trust him. Christians believe this to be true. So let us all move forward into a future with hope in God.

Harvest Festival: 6pm on Sunday 5th October

Please bring gifts of flowers, fruit and vegetables, pumpkins and squashes etc to the church by 10.00am on Saturday 4th October. They, together with any store cupboard foods you may like to deliver to the church at any time, or bring with you to the service, will be given later to the Andover Crisis and Support Centre.

Harvest Supper will be after the service in the Village Hall, from about 7.30pm. If you haven't got your tickets yet (£6 each and bring your own drink), please do so quickly from the Browns (730236), or the Aldersons (730388) or the Woods (730685)

Looking back in September, the Gough Duo's concert was "sublime" and more! We were blessed with lovely weather for the Pets' Service. The Phoenix Brass Band said they enjoyed it and we enjoyed having them to accompany us. Photos of the latter on the website- www.savenaketeam.org.uk

Looking ahead: The Carol Service will be on Sunday 21st December at 6pm

Thanks from Zimbabwe – for the collection of £320 at St Mary's Chute Forest Songs of Praise. 'From all of us at Highlands Presbyterian Church, a big thank you to the Chute churches. The money has been used to purchase food packs for the elderly folk at

the church and, where necessary, to assist with the buying of medicines. Currently, we are specifically helping 10 people from the congregation, up from just 2 at the beginning of the year. Most of those we are assisting are retirees whose pensions are now worthless with the estimated 25 million% inflation.'

Mike Ward, a lay-minister with HPC, thanks us again for our generosity and says our contribution has been used solely for those in the congregation who are in need. However, he goes on to describe the destitute feeding scheme of a mug of soup and food pack for 253 people each Friday (130 at the beginning of the year) and says there is a constant stream of destitutes calling in at the church during the week.

Chute Wednesday Club

Our outing on September 17th took us to Bashley in The New Forest where we were entertained by the Olde Thyme Players. The show was an old time music hall with sing-along songs of yesteryear, stunning costumes and scenery to provide a memorable trip.

On October 15th we visit the Royal British Legion Poppy Factory in Richmond, Surrey. This should be an interesting trip. Names have already been taken.

Our Christmas lunch this year will be at Wyke Down Country Pub on Wednesday December 3rd. We need to start booking seats for this now. Menu will be shown on our next trip or by phoning me.

An eagle eyed parishioner noticed that the Mark Randle's mobile number (on the back cover of this magazine) was out of date. All being well it should have been corrected in this issue – please make a note.

Amenity Skip for Lower Chute

I have arranged an amenity skip for the weekend beginning **Friday 10th October** – it will be sited on the Village Green at Lower Chute. Please note this will be a general purpose skip – the content goes to landfill – so is not intended for recycling materials. The Parish pays for this (albeit at a considerably subsidised rate) so it makes sense to make good use of it. However, please don't over-use it. If you leave excess on the ground Kennet will have to make a separate trip to clear this and we will be charged.

Audit of Parish Council Accounts

The accounts for the year ending 31st March 2008 have satisfactorily completed external audit by the agents acting for the Audit Commission with no observations. Whee! A good point at which to record thanks to Barry Caddick for his unstinting help as the Parish Council's volunteer Internal Auditor.

Next Meeting of the Parish Council will take place on Thursday 30th October at 7.30pm – venue the Village Hall. As always, you will be welcome to attend: the agenda will be displayed around the Parish and the previous (draft) minutes will be displayed on the Council notice board at the Village Hall.

Chute Cricket Club

What a Season!

In only our 3rd season since being reformed, we played and won more than before. Interestingly, of the 13 games we planned, we played our first 6 in May or June without interruption, but in July, August and September, we managed only 2 games, with 5 being rained off, or abandoned due to the weather. Does that mean that the traditional 5 month cricket season of mid April to mid September is effectively now only 2 months?

However of the 8 we played in total, we won 5 – and were well on the way to winning another before the rain intervened – which is an excellent performance.

The only match we can report on is 31st August home fixture against Linkenholt:

Linkenholt visited Chute for the return leg of the annual local derby, on a cloudy day and a pitch which, although very soft, played much better than expected. Our new Captain, Paul Struthers, won the toss, and elected to bat first. With a superb exhibition of patient batting, Will Hopton 's 59 (which included only 4 fours) led the team to a competitive total of 125 all out, with just 4 balls remaining from the allotted 35 overs. The other end saw considerable contrast ranging from George (I will not give up my wicket!) Staff's 11 off 48 balls, to Jon 'Coffee' Harries, 10 off just 7 balls, including 2 fours. George 'the younger' Trewby was the clear star of Linkenholt's bowling attack, taking an impressive 5 wickets for just 13 runs off 7 overs.

Linkenholt came out fighting, however the opening bowling attack from Paul Struthers (3 wickets for 10 runs off 6 overs) and Colin Shubrook (3 wickets for only 4 runs off 4 overs) was simply too much, and Linkenholt slumped to 16 for 6 off 11 overs, before rain and bad light intervened too much to allow any further prospect of play. Colin's dismissal of Will Rickwood with a spectacular caught and bowled, inches from the ground to his right, must rate as the dismissal of the game, if not the season.

While clearly disappointing that for the second time this year, rain had interrupted the fixture, we could at least claim victory under the Duckworth-Lewis methodology, even if the conditions were very poor at the end!

And the future?

At a very well attended Committee meeting on 26th August at the Cross Keys, which was opened up to all club members, a number of critical decisions were taken:

- We would explore entering the national nPower Village Cup in 2009. If we progressed through the entire knock out stages, the final is held at Lords, but we're not organising the coaches just yet!
- We would increase the number of games played to 15/16 weekend games, and try to organise more mid week Twenty20 type fixtures.
- We would not enter a league team in 2009, but would continue developing the club so we could do so in the future; this would be in addition to our friendly schedule.
- We would relay 2 strips, taking up the grass and subsoil, relaying with specialist cricket loam and reseeding. (For the horticulturalists, the new soil has been formulated to provide a medium strength clay content loam with a healthy proportion of organic matter and good binding qualities, which should provide a medium paced wicket. The seed mix comprises 35% Sauvignon, 35% Evita and 30% Dali perennial ryegrasses.) Work on this is well advanced.

As part of this renovation programme, we have also moved the wicket approx 5 yards towards Chute Forest (to allow slightly more space for the Fete and other activities) and will be weed killing the entire King George Playing Field for the benefit of all users.

Roll on next season – but not until after our annual dinner and awards to be held at the Cross Keys on Friday 14th November, all average tables being kept under wraps until after then!

'HELLO PUD-SWAN'

by **B.D.B. [BRYAN BEGGS]**

A NEW AND UNIQUE CHILDREN'S BOOK

Naomi House Children's Hospice in Hampshire, is set to benefit from a newly published storybook for children by Andover author Bryan Beggs. 'Hello Pud-Swan' [a three-part set] is a story with a difference, which aims to capture the imagination of readers aged from 7 – 10 years, in an INTERACTIVE and EDUCATIONAL way.

It is the tale of everyday children Melanie and Angela, who travel secretly with the strangely named Pud-swan, a life-size [but invisible] white rabbit, to lots of different and exciting places, including London, Los Angeles and St. Petersburg. Topics of geographical, historical, scientific, and cultural interest are woven into the storyline, as are the 7, 8 and 9 times mathematical tables!

In each of the three books, there are pages for the reader to do his or her own illustrations, encouraging imagination and creativity and making the book personal and special to each individual child.

All information about these books can be found on the books' own website (www.pud-swan.org). Clues in the books and on the puzzle page of the website permit the reader to solve the mystery of the meaning of the name 'Pud-swan'.

As mentioned above, the proceeds from the sale of these entertaining and innovative children's tales are being donated to Naomi House Hospice, a purpose-built children's hospice that provides a homely environment for children and young people with life-limiting conditions. The hospice is situated just north of Winchester in the village of Sutton Scotney.

'Hello Pud-swan' is available from ALL Waterstones and Blackwells Bookshops and from Cross Keys Bookshop in Salisbury, 'The Faraway Tree' in Overton and the Romsey Tourist Office, or may be ordered directly from the publisher, T.V.C. Book Society in Andover, on 01264 365190. The complete 3 part set in a slip-case costs £20, or the three parts may be bought individually for £8.99 each.
